II. Discussion

ITEM TITLE	Principal Check-in
DISCUSSION NOTES	<ul style="list-style-type: none"> Rodeo Breakfast went great. There are no events planned for this summer such as Summer School or Community Schools, so custodians can focus on deep clean of the campus. Summer School will only be held at satellite schools and attendance is selective due to academic needs. The entire school district will go to Title 1 Funding next year. The first year, Fruchthendler will be a “targeted” school which means that any money spent will specifically be used toward students who are targeted “at risk learners”. This is generally the bottom 25% of the students based on AASA and other district assessments. The school will receive \$57,000. A comprehensive needs survey will be given to parents and staff and a Parent Meeting will be held in the spring, date TBA. To explain how Title 1 affects our school. Love of Reading is next week with activities for each day and a family night on Tues
RESOLUTION	
Work on the comprehensive needs list to prepare for becoming Title 1.
